The Posi-Pour™ Portion Control Pourer

Constant price increases, higher liquor taxes, more competition, and tougher drunk driving laws make liquor portion control essential to your success. Magnuson Industries is the world's established leader in portion control pourer design, manufacture and innovation. Our patented Posi-Pour™ delivers an accurate portion with each shot poured quickly, easily, and without offending customers.

Continuously improved and enhanced since our original design in 1976, the Posi-Pour is available in 5 models, 10 portion sizes, and 9 color combinations.

Five Models to Choose From

Dust Caps and Oversized Corks

All Posi-Pour 2000s and Liquor Saver 2000s are available with Dust Caps and Oversized Corks.

Dust Caps keep dust and other foreign materials out of your liquor, and are now required by Health Department officials in many parts of the country.

Oversized Corks fit foreign liquor bottles with unusually large necks, and also fit most 1.75 liter and half gallon bottles.

Liquor Saver 2000

Our Liquor Saver 2000 looks exactly like a free pourer - the most inconspicuous control pourer in the world. With all the features of our Posi-Pour 2000, the Liquor Saver 2000 is available in 7 colors and a variety of sizes.
